ICS 2022

International Computer Symposium
December 15-17, Taoyuan, Taiwan
National Taipei University of Business (Taoyuan Campus)

Call for Papers

International Computer Symposium (ICS) is one of the most prestigious international ICT symposiums held in Taiwan. Founded in 1973, it is intended to provide a forum for researchers, educators, and professionals to exchange their discoveries and practices, and to explore future trends and applications in computer technologies. The biennial symposium offers a great opportunity to share research experiences and to discuss potential new trends in the ICT industry. ICS 2022 will provide workshops, panels and keynotes to facilitate discourse on and deepen the understanding of the challenges in computer and communication technologies. This year, ICS 2022 will be held at National Taipei University of Business, Taoyuan, Taiwan, on December 15-17, 2022.

Conference website:
